The newly updated Bellavati™ V1613 universal design lavatory bowl is the most popular vanity style in the industry. With its 5" depth, the bowl is universally designed fits well in all applications, especially ADA applications as well as residential, commercial, healthcare, hospitality, and more. The V1613 has a smooth integral (non-corrugated) overflow which minimizes trapped bacteria in the overflow tube itself. The design is sleek & efficient with unparalleled ease of installation and performance.

Bellavati™ Sinks are compatible and warranted when used with all major solid surface sheet brands (acrylic and polyester) with the same sheet warranties.
